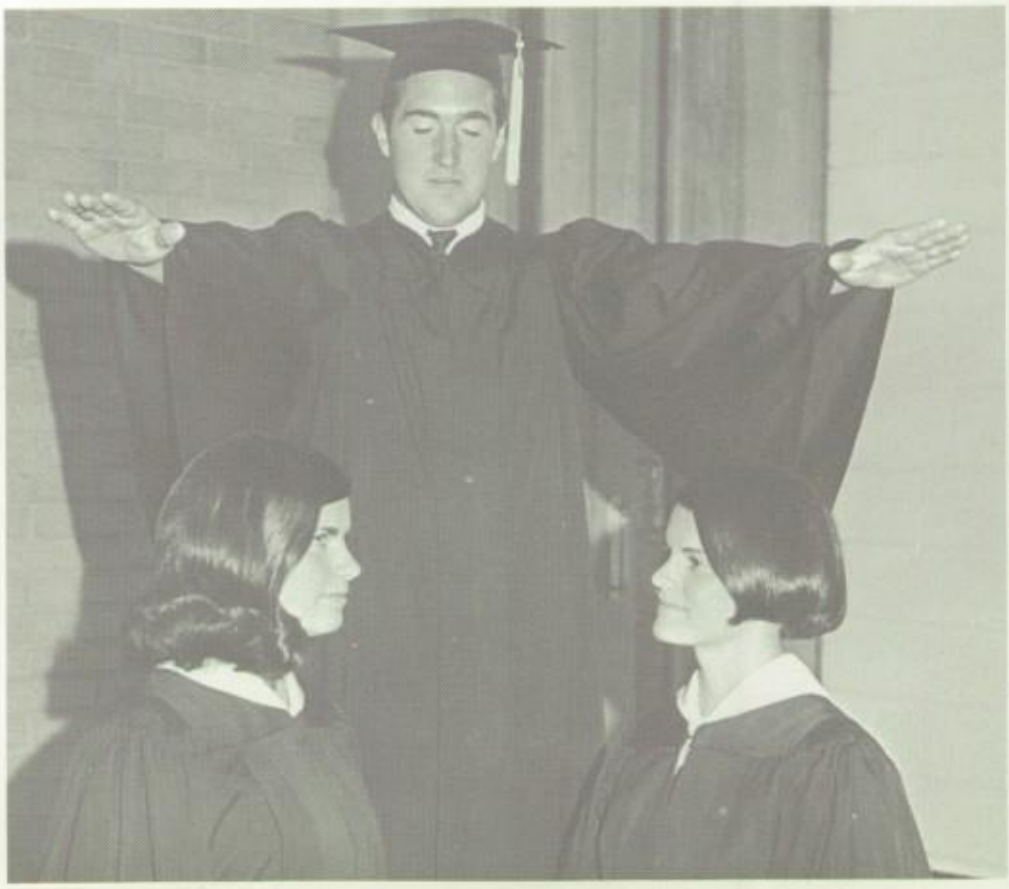
Foreword

For all of us the first major portion of our lives is over. Many of us will continue our educations, some will serve in the armed forces, and others will join the vast civil adult population of America. After we leave Wilson High School we can never really return. Yesteryear's football hero or star scholar is merely a strange face in the halls. The warmth and enthusiasm has somehow been robbed by time, and the once happy, carefree, crowded halls are now cold, barren, and dark. Many of our friends are gone, all of our past acquaintances have drastically changed, and there are many new, strange faces where there once were friendly familiar faces. No, we can never really return.

In the dismal gloom of tomorrow, however, we are drawn forward by the light of the future guiding us as the beacon of an eternal lighthouse. As we leave our nostalgia behind, we realize that we must not live on the dreams of the past, but that we must strive to attain the goals of the future. We should consider our years of work at Wilson High as a preparation towards a goal. Graduation is the first step of our lives, not the ultimate. The dawn of tomorrow burns through the mists of memories and once more draws us forward. We can lift our heads with pride because Wilson High School has prepared us to meet the world, to strive for higher goals, and to face the challenge of the future.



. . . and very solemn occasion.

Mr. F. J. Kuna

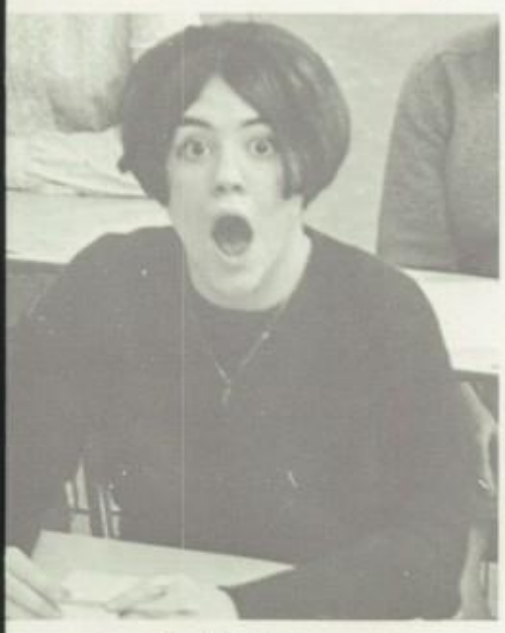
The Authors

In preface to this annual issue of the Les Memoires, we, the authors, would like to introduce ourselves and our book. More is involved in producing a yearbook, especially a good yearbook, than can be seen on the surface. Jim Kulcyzcki, Editor-in-Chief, discovered the many trials and tribulations yearbook editors face. Pat Soraruf, assistant editor, shared the worry and work. An able advisor, Mr. Kuna stepped in when his guidance was needed.

Literary editor, Rosie Rees, and her staff gave much time and effort to fill all the empty spaces between pictures with readable and understandable information. Not only must these write-ups be grammatically correct, but they must also be interesting.

Mary Ann Borota, Lay-Out editor, was given the task of laying the numerous pictures and write-ups in an orderly fashion. To the lay-out staff, this sometimes meant meeting at 9 o'clock Saturday mornings.

Typing 220 senior, 43 club, and 63 teacher write-ups plus all the other miscellaneous articles, was the job given to Sandy Braden and her typing staff. A capable job done by capable typists under an extremely capable editor.



L. Strause

All sports articles, including scores and descriptions of games, were handled by the sports staff, and editor, Jim Conroy. Autumn, Winter, and Spring sports had to be analyzed and described for the enjoyment of the reader.

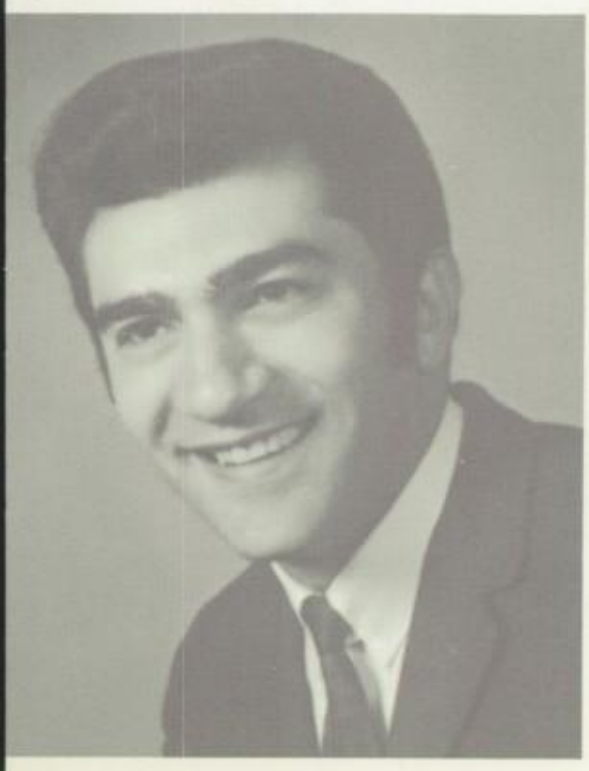
Mr. Happel and the Art staff, with Lorraine Banach as Art editor, had the task of creating an attractive and unique cover. All artistic printing, especially that on dividers, was done by the Art staff.

Without the Photography staff, headed by Chuck Kern, many of these pages would be bare, except for the write-ups. The staff was aided by Rembrandt Studio of Easton. Mr. Johnson Cascioli, Rembrandt's Photographer was really "Johnny on the spot," for when we beckoned, John was there to take pictures at all times of the day.

All advertising found in the rear of this book was collected by the business staff, with Miss Hay in charge. The sale of the yearbook to underclassmen is also conducted by the Business staff.

Mr. W. Happel

Part of Layout Staff



Mr. J. Cascioli

We, the editors, wish to thank our staffs for the work and time they spent; those people who gave their personal pictures to be used in this yearbook; Rembrandt's Studio of Easton for pictures; and especially Mr. Kuna, for his help, advice, and patience.

We feel it has been a worthwhile effort. We believe this 1969 Les Memoires is different and interesting; a reflection of the great class of '69.

Our Dedication

For the many years of service to our school both as a coach and teacher, we proudly dedicate the 1969 edition of *Les Memoires* to you, Mr. Frederick Eisenhard.

During your years at Wilson you served in many capacities. As a teacher you introduced us to modern math, logical reasoning, and good study habits; as a coach you not only taught the boys how to play football, but also instilled them with the will to win and the ideals of good sportsmanship.

When students make the transition from elementary school to high school they are often faced with problems of adjustment. Through your patience, understanding, and humor, Mr. Eisenhard, you eased many of these problems and developed children into students and students into friends.

As a teacher, coach, and friend, you have selflessly devoted much of your time to helping others. Your dedication is augmented by your friendly manner, warm personality, sense of humor, and your "good looks."

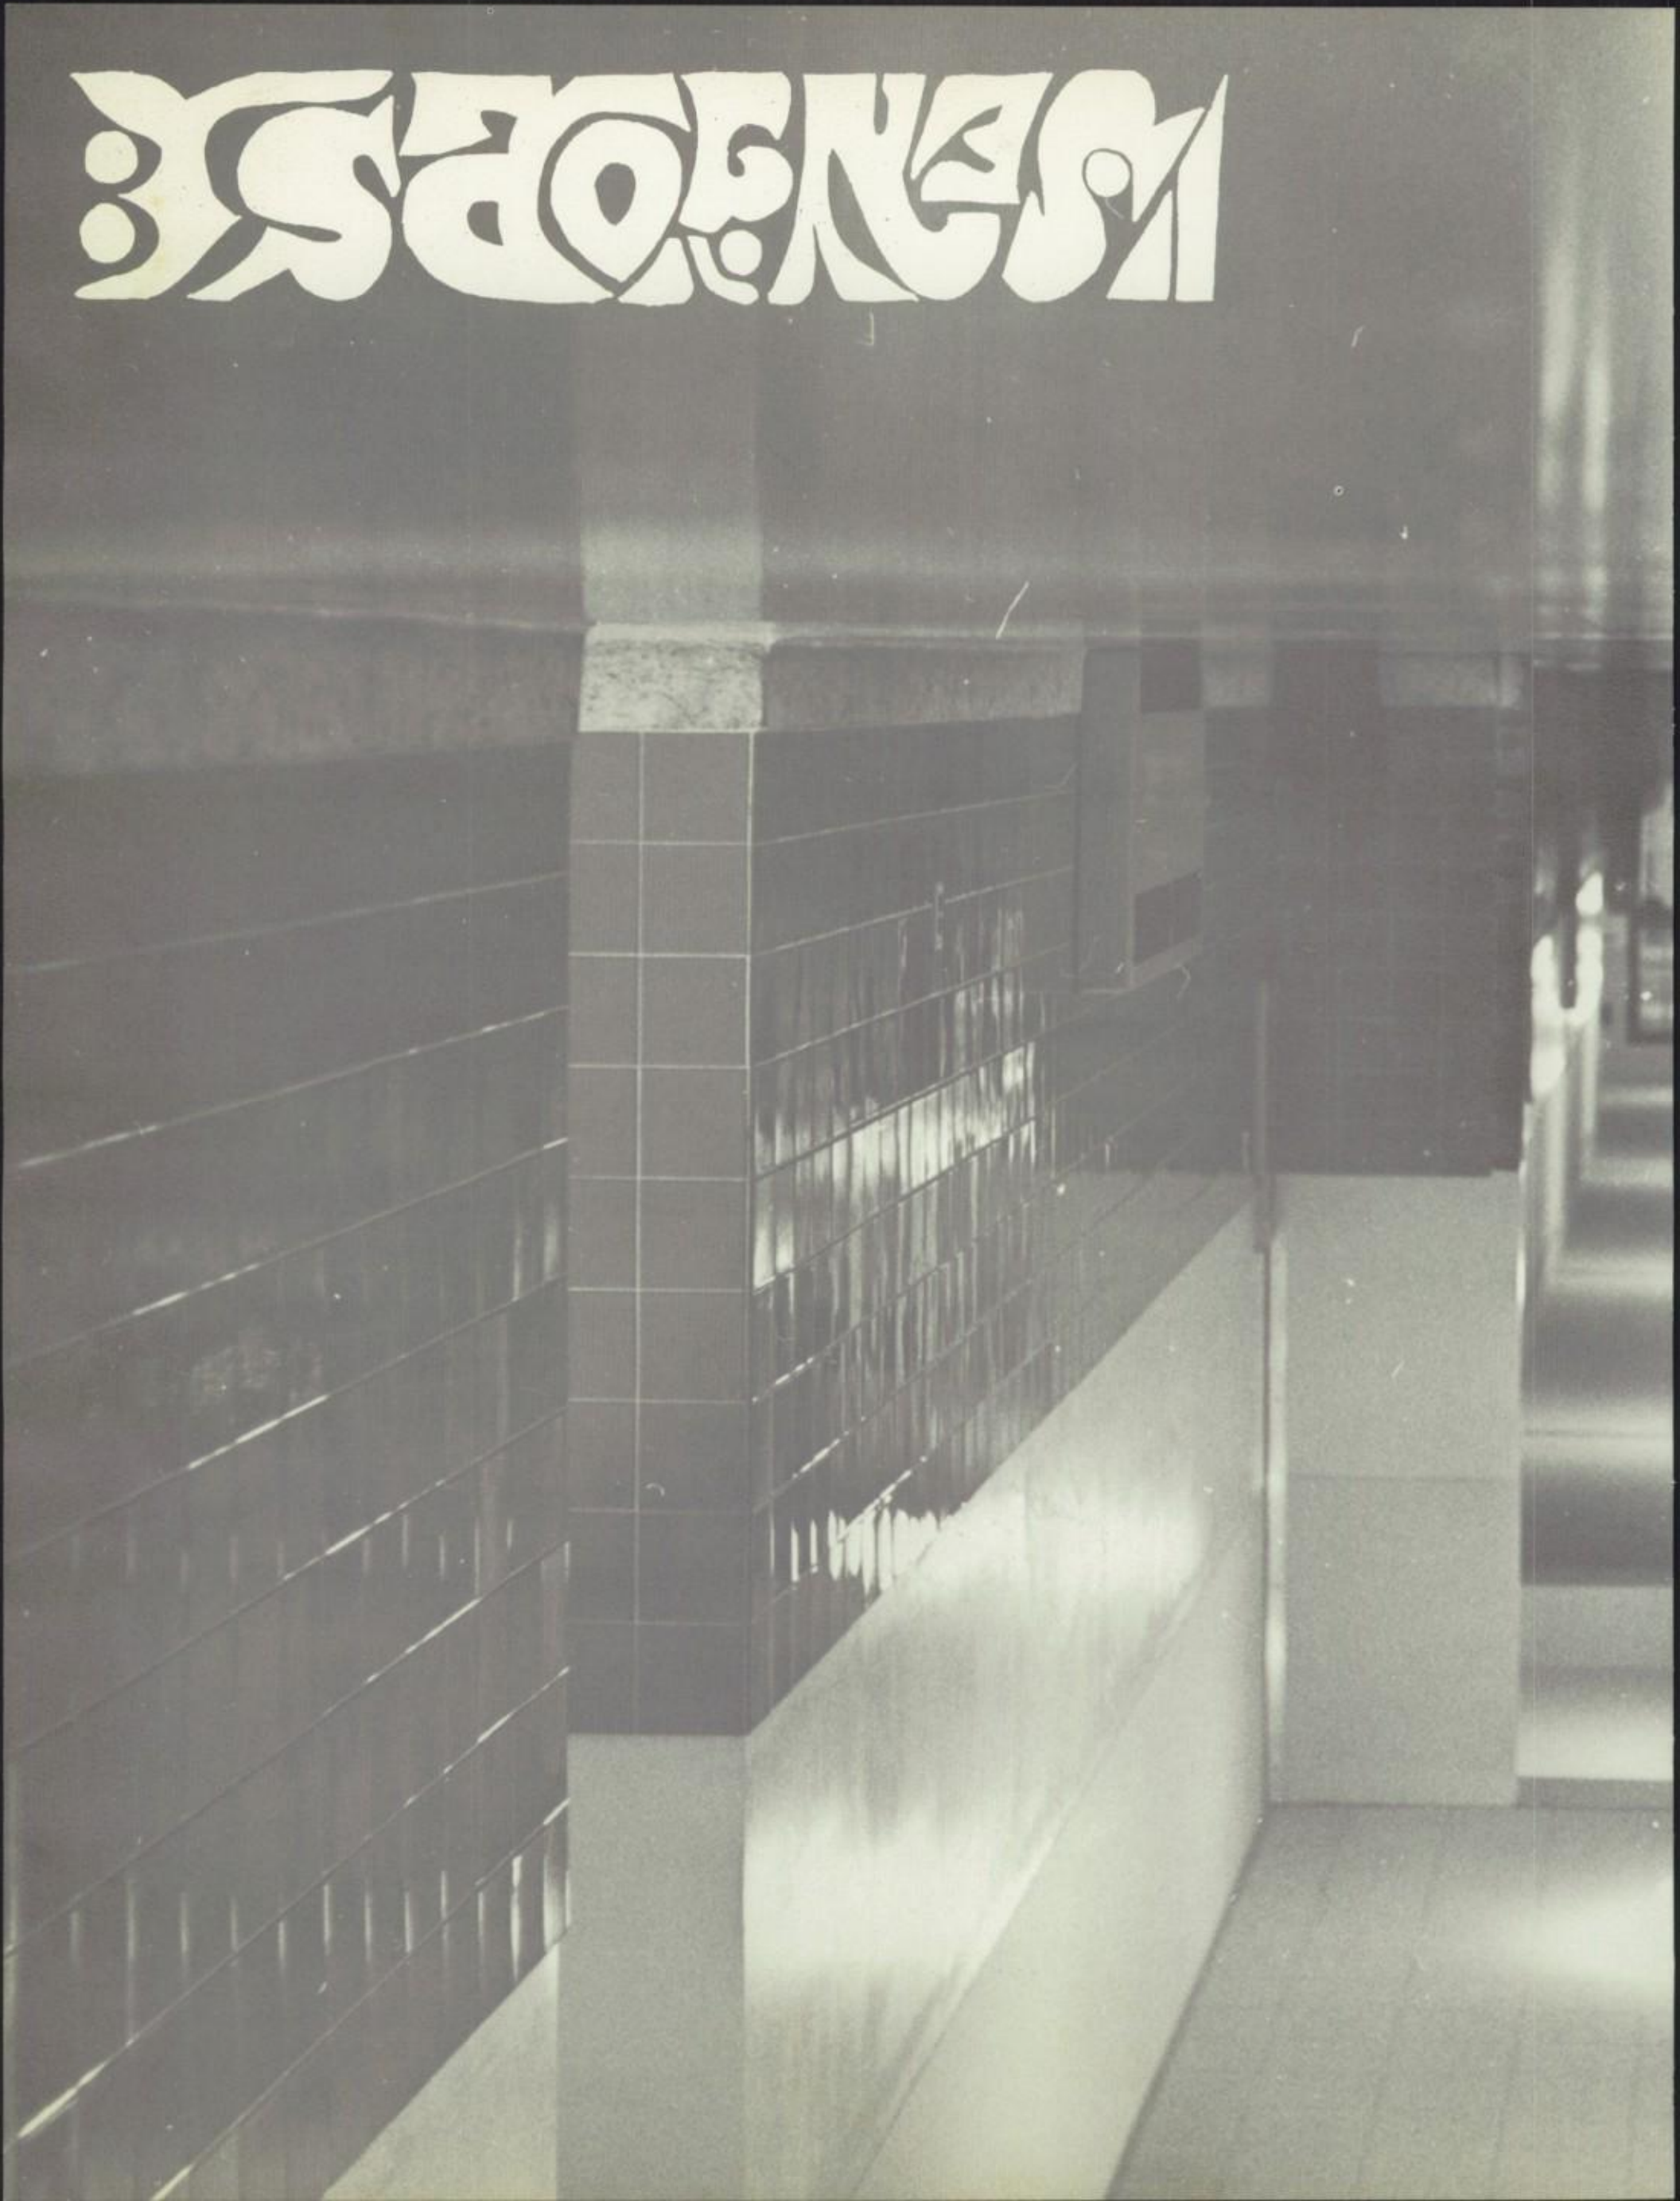
When we page through this yearbook in the years to come, we may find we have forgotten some precious memories or old schoolmates, but we will never forget the inimitable personality and warm friendship of you, Mr. Eisenhard.

OUR ALMA MATER

Dear Alma Mater, Wilson High,
Our love we freely give to thee;
Beneath thy Blue and Gold we stand,
In proud array, a loyal band,
Enraptured with kind thoughts do we
Laud Wilson High, dear Wilson High!
With happy mem'ries of the hours
When we were gath'ring tares or flowers
Preparing for our destinies.

For thee our eyes with blessings shine,
Our kindest thoughts are all for thee;
Dear Alma Mater, knowledge's shrine,
Our youthful hearts are wholly thine
And we do yield our love so free.
O, Wilson, Dear, for many a year
Long may thy teachings of the Truth
Be guide and precept for thy youth
To the lasting fame of Wilson High.

ISOLATION



MARCIA ANN ADAMS
"Mar" *"Red"*
610 S. 22nd Street

Here is the most intelligent girl in our senior class. Marcia has been on either the honor or high honor roll throughout her years at Wilson. She is a member of our great debating team, and also helped us to be the second class at W.H.S. to ever win the annual debate in their junior year. Another one of Marcia's skills lies in art, in which she excells. We're sure Marcia's name will become well-known as she succeeds in all she does in the years ahead.

JOHN ALESTAS
"Yani" *"The Greek"*
2108 Northampton Street

We could say, here is a spy in the enemy camp, for John came to us in his senior year from our rival across the street, Easton High. However, he is too nice a guy to be considered as a spy of any kind, especially since he's a "gorgeous" Greek. An asset on the soccer field both here and "over there," he helped our soccer team this year. He enjoys space movies. It seems appropriate to those who know him, that he would choose a career as a linguist in the Navy.

Soccer 12.

ERVIN E. ALTENBACH
"Bobby" *"Big E"*
Box 157, Raubsville

Even as Ervin will not be forgotten by his classmates, we're sure he will never forget his status as the only boy in an otherwise all-girl short-hand class. A business student, he enjoyed Mrs. Sheats' typing class and may go to I.B.M. school after graduation. Bowling consumes much of his spare time. We hope he enjoys the years to come as much as he did his "great years at Wilson."

Travel Club 7; Homeroom Vice-president 7.

PAUL J. ALTENBACH
106 Main Street

This friendly, active, athletic fellow is an expert car mechanic and a waterskiing enthusiast. Paul enjoyed his printing classes and Mr. Zarbatany's English class. Next year Paul will start his career in printing and the graphic arts.

Student Council 7; Football 9, 10; Wrestling 9, 10.

CARL ROBERT AMES
"Bud"
4461 Green Pond Road

Determined and hard-working can aptly describe Carl. We surely remember him lugging footballs and equipment for the varsity team at every game. A devoted runner of the track team, he won third and second places in the mile at the Blue and Gold Meet in 7th and 8th grades, respectively. It seems likely that his favorite memory of Wilson is his years on the track team. He also enjoys collecting stamps and coins. Studying law lies in his future.

MARJORIE MARY APGAR
"Margie"
1201 S. 23rd Street

Margie will always be remembered as one of the most fun-loving girls in our class. But she also has worked hard at learning the beauticians' trade. As a member of the cheering squad, she led our teams with enthusiasm. Possessing all of these assets, the future will certainly hold a bright spot for Margie.

THOMAS VINZENZO AZZALINA
"Azz" *"Tom"*

Everybody knows "Azz"; maybe that's because he's friendly and easy to get along with. Needless to say, Tom likes sports, especially wrestling and football. During his six years at Wilson, Tom has shown his ability in these and other sports. Favorite memories, Tom says, are "la clase de francais" and senior English. Any college would be glad to take this congenial guy—and able grappler —come next fall.

THOMAS FRANK BARTON III
"Tom" *"Skinny"*
800 S. 24th Street

Tom, a great wit and an extremely talented mocker, is always on hand to add "a little bit of humor" when the occasion arises. On the gridiron, he's small (125 lbs.) but mighty and can really intercept those passes. Around the track, he can run up a cloud of dust. Among Tom's most treasured memories of W.H.S. are the night football games, away basketball games and the '67 track team. This all-round athlete will be an asset at Blair Academy in the near future.

The victory and basketball dances are a few of Ken's pleasant memories of W.H.S. Several of Ken's hobbies are painting and coin collecting. Perhaps that is because she has made many friends in the past six years. Karen especially enjoyed the football games, pep rallys, and sports in general. Horseback riding and being outdoors and with people make her happy. We hope that studying at I.B.M. school will make her just as happy.

Height has no set backs when Harry indulges in his favorite hobbies of coins, drafting and, naturally, girls. Harry won't ever forget his senior English class or drafting class. It seems he's really stuck on drafting and becoming a draftsman will certainly satisfy him.

And, a class picture from the past.

At left, Rahim poses with his two 'brothers', Juan and Fritz.

Rahim checks over some soccer statistics.

Abdul Rahim Najib — Alias Rahim

We have decided to dedicate a page to our exchange student, Rahim, for the purpose of giving you real pictures and descriptions of a memory we're sure everyone at Wilson, this year, will long cherish.

Rahim, an Afghan visitor, was a stranger not only to this country as a land, but also to its customs, traditions, fashions, language, and its people, *us,* when he came here in September. It was a great feat to overcome all this strangeness, and to begin to feel really comfortable and happy in such a different environment.

Rahim has done just that, and more, with the help of all the new, sincere friends he has made, especially his second family, the Depews. He says, since he has been here he has had "a lot of best impressions" of America and its people. There are so many things he will never forget. Will we ever forget his "Hello, how are you?" and friendly smile in the halls, his many questions, and his always patient answering of our many queries! And, how enthusiastic he was at all our football games!

Strangeness changed to commonplace; wondering to understanding; and surely, politeness to friendship for both us and Rahim. We hope we have helped to make this a happy year for you, Rahim.

Two points are scored by Rahim at the Senior-Faculty Game.

Fritz introduces Rahim and Juan at a Pep Rally.

CRAZIEST LAUGH: "Kootchie, Kootchie Koo," giggle Jay Medlar and Shirley Smith, as they give each other a little tickle under the chin.

MOST HELPFUL: "Oh, no, not more!" exclaims Helpful Harry (alias Jim Kulczycki) as *his* helper Mary Schleicher brings him more work.

Senior Elections Held

This year the Senior Poll was conducted somewhat differently. In previous years, the nominations for the candidates for the various categories were done solely by the yearbook editors. A small, brown box was placed in Room 215 this year, and all seniors were invited to nominate their candidates for the Senior Poll. The final candidates were chosen by the editors, based primarily on the senior nominations. This year, it was, truly, a *Senior* Poll.

Four new categories were added for the fun of it. Badges, which were worn the day of elections, were presented to the winners.

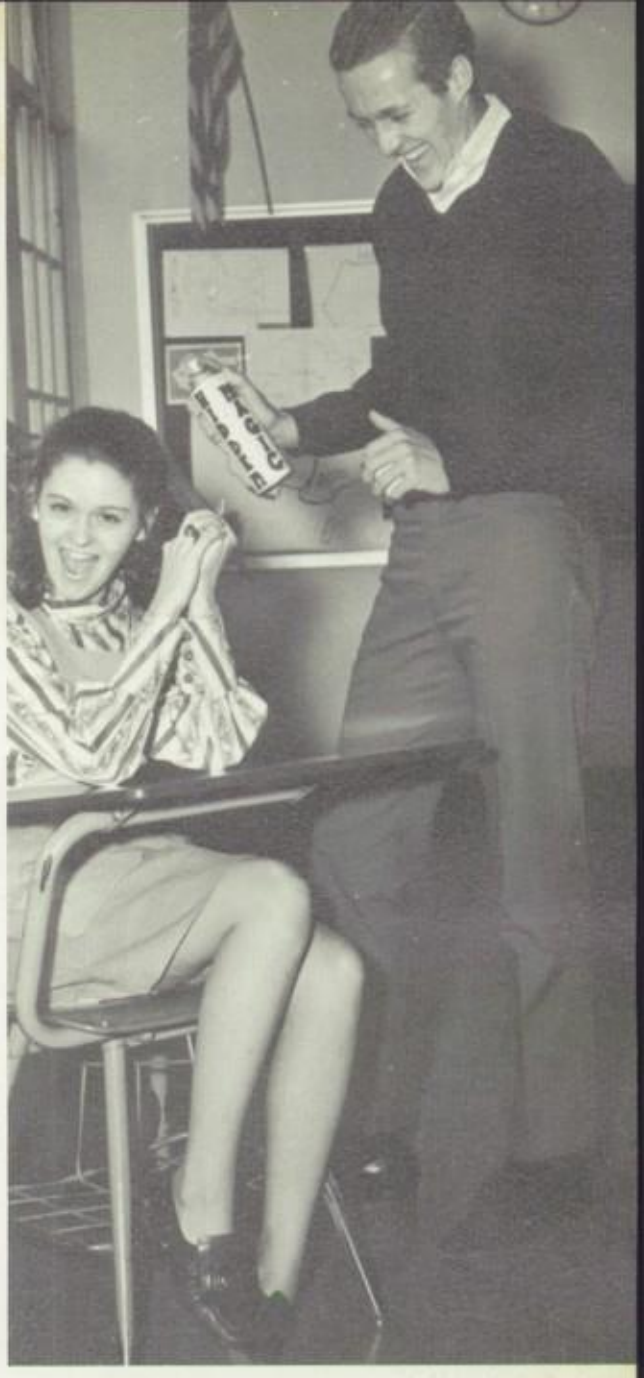
MOST SCHOOL SPIRIT: No one else may show up, but you can be sure our pretty Warrior Princess, Annie Manno, and foreign friend, Rahim Najib, will be there supporting our teams.

MOST INTELLIGENT: O.K., so you can't see the slide rule in Marcia Adams' hand, but you can be sure Jeff Harris and she can match any problem with their opponent, the computer.

SHORTEST-TALLEST: Sooner or ladder, the woman always tops the man. Bev Everitt is giving Harry Cohen a hand with his height.

MOST TALKATIVE: If Rosie Rees and Brian Martenis *didn't* believe that they talk a lot, now they have to. A test with an oscilloscope proves it!

MOST CONGENIAL: Judging by the books these seniors, Pat Soraruf and Jim Pfister, are carrying, they may not seem awfully smart, but they sure are friendly.



CURLIEST HAIR: "My hair won't comb!" cries Debbie Minnich. Greg McCarty, although not exactly Wanda the Witch, comes to the rescue.

CLASS CLOWNS: "Please!" sighs Mike Stehlin. Wendy Harper is at it again! These two crazy seniors never stop.

MOST ATHLETIC: John Pulli and Brenda Griffin are "equipped": hula hoop, quoit, and even ping pong paddle. Can anyone doubt they are our most athletic seniors?

STRAIGHTEST HAIR: With Tom Barton "ironing out" all the kinks, Ang Giglio keeps on the straight and narrow.

SMOST LIKELY TO SUCCEED: Shifty eyes and sly smiles cover our successful faces. With these attributes, Bonnie Miller and Fritz Depew have the makings of a real success story.

Aren't we sweet?

Mr. Cohen receives a conservative red tie from the STM III class.

Look what I got!

Bruce and Rich—friends to the end?

Class History

It all began six years ago when we started in this school.
We ran from seniors everywhere who often acted cruel.
With lockers in the basement and clothes that didn't match,
We wondered if "Seventh Grader" from us would ever detach.

We made it through that year though, 'till September '64,
As we began our eighth grade in the so-called "learning store."
It was a year of thinking, parties, dances, themes,
And we also started to grow and "rate" by making athletic teams.

Ninth grade we gained more status, as Freshmen we became.
We had our own great chorus, and clubs and teams and fame.
The big event was Harrisburg with animals, food, displays.
And who could forget the Y-Teen dance on that cold December day?

As sophs we were the backup team for Varsity events.
Remember all the practicing and all the hours spent?
And how about our Sophomore Hop? The theme was "West Side Story."
We danced, played games, and watched "our show"; our class was in its glory!

The autumn of our junior year really was the greatest!
We worked at the refreshment stand, and the style of our rings was the latest
Our prom "Evening in Paris" certainly turned out fine.
What more could you expect from the class of '69!

And now we're busy seniors with sports and campus days.
"The Night of January 16th" is the title of our play.
We've yet our trip to the Poconos and graduation, too;
And we hope success comes to all of us as we live our lifetime through!

See my pretty corsage.

Hey, where'd everybody go?

Smile, and the world smiles with you.

WOW!

Hear . . .? Well, see no evil; speak no evil.

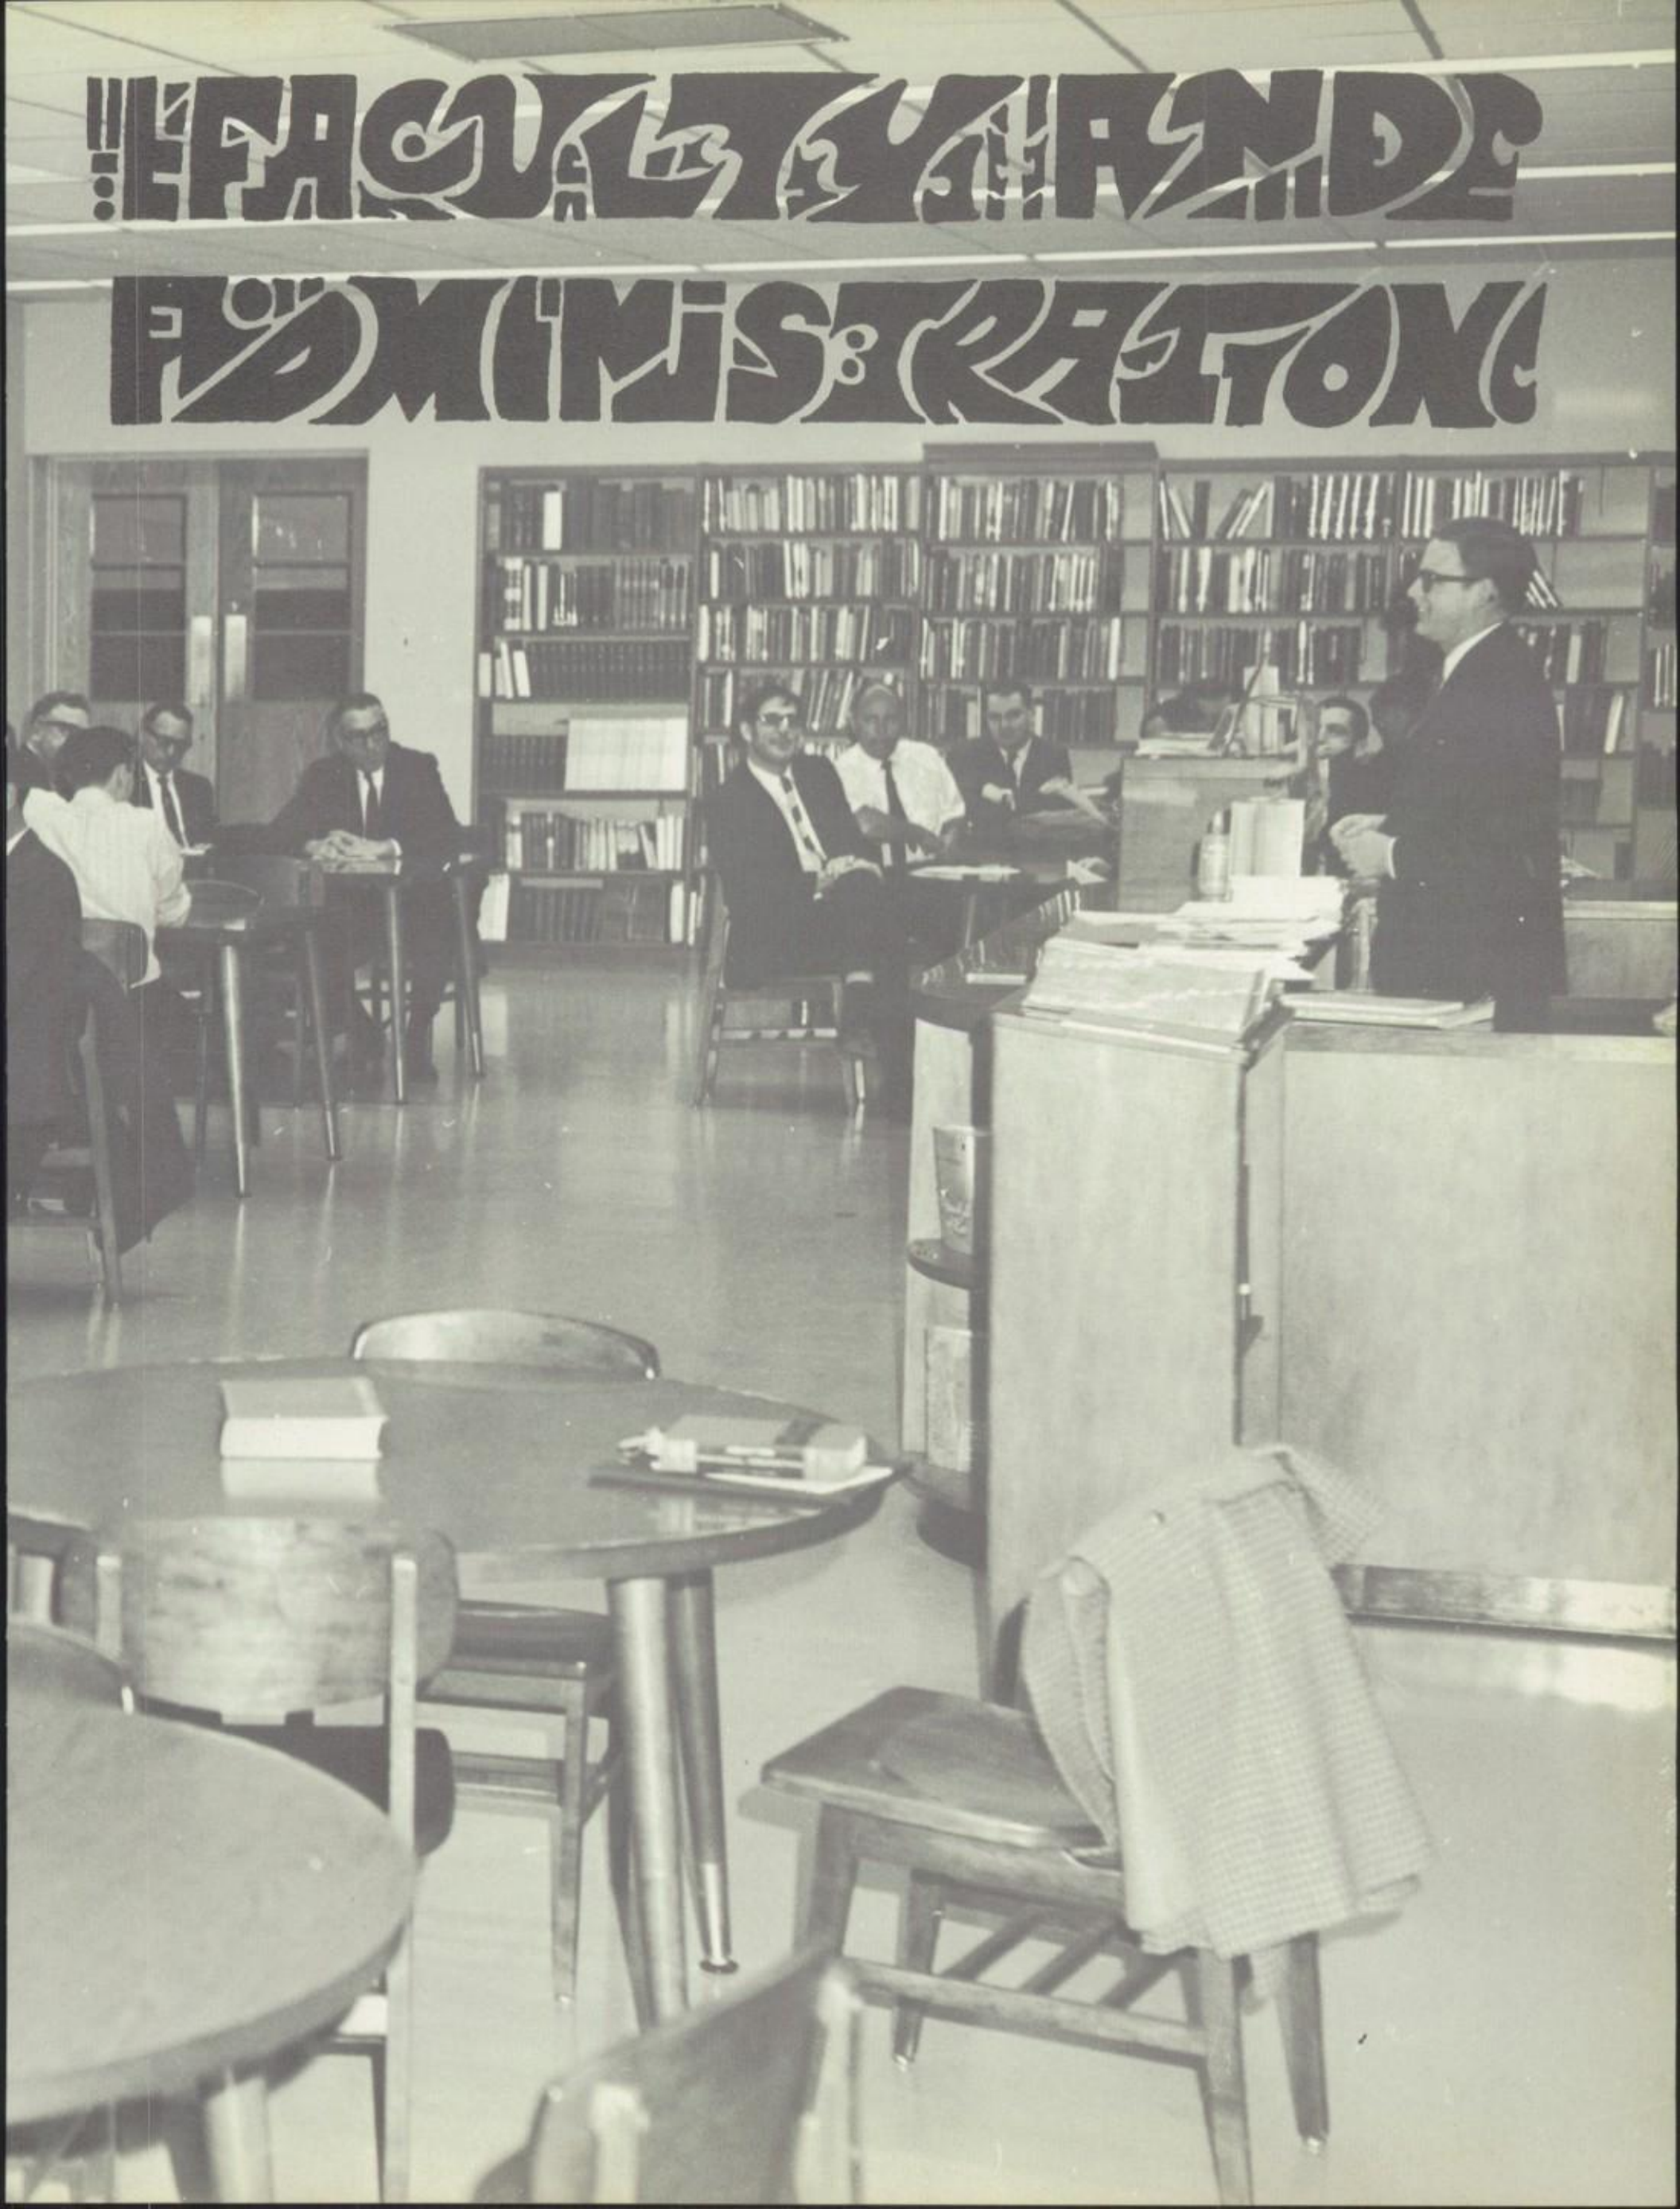
THE FACULTY AND ADMINISTRATION



Mr. Wm. P. Tollinger
Superintendent 1947

Dear Mr. Tollinger:

The many contributions you have made to Wilson High School in the past twenty-two years of service are highly commendable and beyond our gratitude.

Since the beginning of your supervision, the physical plan of this school has expanded four times. In September, 1951, the southwest wing, consisting of three classrooms, a library, and a cafeteria was completed under your administration. The industrial arts building with three modern shops was ready for use by April, 1953. The southeast wing, with commercial rooms and a junior high general shop was completed in 1955. Also, in November, 1960, the new gymnasium was opened which provides excellent facilities for physical education and health instruction. The structure houses two large exercise areas, shower and locker facilities, a health room, equipment and laundry room. The training room was also furnished to honor Wilson High athletes.

Renovations in the main building, completed during the summer of 1961, provide six additional classrooms, the most modern physics and chemistry classroom labs, art and crafts room, homemaking suite, health suite, and expanded guidance and administrative offices. Most recently added to the school were the planetarium, a new I.B.M. room, and the television studio.

The basic curriculum has developed rapidly toward new and better ideas. An example of this is the Advanced Placement courses, in which new techniques for instruction are largely resulting from your insight. The athletic program has become quite extensive due to your supervision.

Very recently, you have shown your leadership in the problem of reorganization of the Wilson and Easton districts. You have made Wilson High School what it is today.

Our only hope is that your dedication to Wilson High School is a happy and long-lasting remembrance, and that your future will be as rewarding as your experiences at Wilson have been.

Sincerely yours,
The Senior Class of 1969

To the Senior Class of 1969:

My message this year is a nostalgic task. For you who are the graduating class of Wilson Borough High School, this is the beginning of new visions, new decisions, and new responsibilities.

For me, as Superintendent, it is a time for reflection. It has been a great pleasure and personal satisfaction to see our school yield academic and athletic success and to watch students begin their various careers with a confidence born of these successes.

My hope for you is that the Class of 1969 will have gained the skills and understanding while in our schools that will permit you to develop your own philosophy of life—a philosophy that will enable you to exercise your rights of "life, liberty, and pursuit of happiness" in your own unique way.

All of these rights are today challenged and must be defended—sometimes at the cost of life, liberty or your immediate happiness; and all of these rights are complex matters with built in contradictions. Although there are cries of revolution throughout the land, these rights never change. Our school has succeeded if you think about them and work out your own solutions to the dilemmas they present. Secure in these solutions you can rebel or conform, march in anti-war demontrations or win medals of honor in Vietnam.

Live your life to the full—examine it daily, strive for what you believe in, but respect the liberty of others; pursue a worthwhile task and "happen" on happiness. Eventually you may want to face the test that the pragmatist, William James, established: "The great use of life is to spend it for something that outlasts it"—undoubtedly a thought now very far from your minds, but thinking "out-of-turn" can occasionally be beneficial.

I leave my task in life for the last forty-two years, secure in the knowledge that the Class of 1969 has made an excellent beginning.

Members of the Class of 1969

Graduation represents the crossroads of a major change in your life. You have, with varying degrees of accomplishment, intellectual growth and social development, completed a way of life. New adventures and challenges await.

At this instant in your journey through life a maze of new directions of travel lie directly ahead. Be assured that each route will provide wayside stops: some to allow you to breathe moments of joy and happiness, others to temper character with moments of sorrow and grief. As you speed along life's highways, slow down occasionally and contemplate your destination.

It has been said that the generation of men immediately preceding you were not the best of travelers. While that generation has dotted the landscape with a rich heritage of technical knowledge, scientific research and materialistic gain, it also has been accused of littering the roadside with the decaying debris of greed, crime, poverty and pollution. What will your children's generation say about you as a traveler?

The best wishes of Wilson Borough High School go with you as you begin your journey into the future.

Our mathematics department strives to fill this basic need for each pupil by providing the skills in a variety of mathematical subjects. General math courses and an STM program begin the student's study of math. Deeper subjects are offered at the senior high level: Algebra I and II, Plane and Solid Geometry, Trigonometry, and Calculus. The modern FMS program is also offered. SCIENCE

An ever widening field, "Science" *is*. A study of any of the sciences offered at Wilson acquaints the student with the answers How and Why of life itself. As a living subject, new questions arise as the old are finally answered. At Wilson we try to supply the answers through studying, first, the general sciences. Later, Earth and Space Science, Chemistry, Biology, and Physics broaden the student's understanding. Advanced enrichment courses in Chemistry and Biology are offered.

ENGLISH

English is more than combining words to make a simple sentence. It begins as such, for one must learn the grammar and structure of his language. However, once the structure is learned, one may delve into that structure and see the beauty of the words and their meaning and content. A study of English gives the student an understanding into a man's mind, hopes, and dreams, giving the student an opportunity to see how man expresses himself.

LANGUAGE

As the world gets smaller, we come in contact with other people of strange lands, language, culture, history, and tradition. If we can be taught to understand these differences and learn to admire their qualities, the world will become a better place. In studying a foreign language, one not only learns the strange sounds, but also, the strange people who speak these sounds become familiar. Latin, French, Spanish, and German are offered in the language curriculum. Wilson has both the ALM and traditional programs.

HOME ECONOMICS

Many girls may find that homemaking will be their niche in society, whether it be in their own homes, or in business, aiding other housewives. Girls are taught sewing by hand and machines, choosing quality fabrics and wardrobe planning. Food and nutrition for family meals, hospitality, and budgeting are taught in the Home Ec. department.

SOCIAL STUDIES

When one studies the social sciences, one studies man; his attempts, mistakes, failures, and achievements are reflected in history, economics, politics, and even geography. A knowledge in these areas of learning equips the student to become a responsible citizen, thus improving the society in which we live. A new course of study was added to the social science department this year. Social psychology is now offered to seniors for one semester.

Warriors Place Third in L.N.L.

This year's Warriors were out to show they wanted to play football as they posted the best record a Wilson team has had since 1962. The boys showed pride in our school and as a team under the leadership of Mr. Paul Opitz, Mr. Fred Eisenhard, and Mr. Frank Martenis, we placed third in the Lehigh-Northampton League.

Here are some statistics to back the Warriors' performances. Jim Conroy led the team in rushing with 684 yards. He was followed by John Pulli and Fritz Depew. In the passing department, Don Reed edged out Chip Mannick as the leading receiver. Rich Miller completed thirty out of sixty-five passes for 417 yards and eight touchdowns. Jim Conroy was the scoring leader on the team with forty-eight points being followed closely by Don Reed with forty-two points. These two boys were third and fifth respectively in the L.N.L. in scoring.

As a team, Wilson scored 210 points for an average of 21 points a game. This is a fine record, compared to our opponents' 107 points and 10.7 average. The average yardage for rushing per game far outdid our opponents: Wilson—261.1 yards, Opponents—185.9 yards. From these figures it becomes obvious that this year we really had a TEAM. Congratulations Warriors!

WILSON 6 NOTRE DAME 12

A tough defensive battle, but our Warriors were on the short end. Don Reed scored our only point on a pass to Rich Miller.

WILSON 47 NORTHWESTERN 0

We avenged our previous defeat as we scored in every period. Our offense was devastating and our defense stingy in this contest.

Another shut out for the Warriors as we won our second L.N.L. game. The game gave valuable experience to the underclassmen. This set up the showdown with Hellertown.

WILSON 25 HELLERTOWN 19

The Warriors made it three in a row as they displayed their comeback power. The game was tough, but we showed a victory and we got it.

WILSON 7 BANGOR 23

Injuries from the last game hampered our attack and dampened our spirits. This was our first L.N.L. setback.

The week off gave us a chance to recover physically and mentally. We proved to everyone that we were still contenders for the L.N.L. championship.

WILSON 27 PEN ARGYL 7

We ruined their homecoming and boosted our league standing. Our boys were charged up and never gave the Green Knights a chance. The offense was helped by the defense in scoring this game.

WILSON 20 PARKLAND 13

Whether we play at night or during the day, we don't believe in losing. A really close game, as the Warriors pulled it out with a late T.D.

WILSON 6 EMMAUS 0

We may have been thinking ahead to Nazareth as we squeaked out a non-league win. A good effort as we scored early in the game and held on for our fourth straight win.

WILSON 7 NAZARETH 26

The big game of the year for us ended in a disappointment as we were outclassed by a fired-up Nazareth team. We were kept deep in our own territory the whole day. A sad Thanksgiving dinner but a third place finish.

'68 BOOTERS PROVE BEST YET

Coach Don Benner's 1968 soccer squad proved to be the greatest in WHS history, posting a 5-5-4 record in league play. Four of the losses came about with one-point margins. Although the first half seemed mediocre, the Warriors came on strong in the second half, with a 5-1-1 record.

The team this year was blessed with the one-two punch of the Alestas brothers, Jimmy and Phil, who transferred to WHS this past year. Backing them up were: Jim Flagg, Ron Springfield and Mike O'Brien, wings; John Buck, George Laubach and Bob Fleming, inside linemen; Rich Eckert, Jeff Harris, Ron Nicholas and Mike Netschytailo, halfbacks; fullbacks John Amato and Don Fetherman, and goalie Angelo Trapani.

Although the boys started out with disappointing 1-0 losses to Easton and Hellertown, they battled to a scoreless overtime tie with Palisades. Traveling to Wm. Allen, John Buck and Bob Fleming scored our first goals of the season but fell 3-2 to a strong Allen attack. At Liberty the team fell prey to a five-goal deluge by the Hurricanes but bounced back to tie Freedom at home, 2-2, with Jimmy Alestas accounting for both scores with an assist from John Buck. An assist from Jim Flagg to Jimmy Alestas gave us a tie at So. Lehigh, but Stroudsburg turned back the Warriors on their home field, 5-0. Finally the team got on the winning side when they played Easton. Under the lights at Cottingham Stadium, Jim Flagg took a perfect cornerkick from Ron Springfield and headed it into the net with time running out in the first overtime period. This proved to be the turning point of the season for the Warriors. Against Hellertown, George Laubach and Phil Alestas provided for a 2-2 tie with goals late in the game. The Warriors then beat Palisades with Jimmy Alestas scoring two goals, helped by assists from brother Phil and Jim Flagg. However, Liberty again turned back the Warriors, the only team to beat us twice. Finishing strong, John Buck hammered in a goal at Freedom for a 1-0 win, and Jimmy and Phil Alestas turned in three goals between them against So. Lehigh for a 3-1 victory. In the finale, Mike O'Brien and Jimmy Alestas each booted a goal to defeat Stroudsburg, 2-1, to give the Warrior booters an even .500 record and undisputed first place for the second half of the East Penn Soccer League.

Sandy Braden and Carol Rice spurred the team on as they continued to score goal after goal, ending the season with a total of thirteen goals scored. Debbie Vogel and Kathy Riley were high scorers, each totaling three goals.

The J.V. squad gained great experience as is shown by their impressive record of four wins and three ties. High scorers were Becky Barr and Pat Reign with three goals each.

Well, maybe sometimes they can. But no matter what the outcome may be, you can always count on the cheerleaders to be behind all our teams 100 per cent.

Great school spirit has always been second nature to W.H.S., and most of this we owe to the fine example set by the cheerleaders. These girls spend many hours practicing cheers, planning pep rallies, and making signs and posters.

Members of this year's squad under the leadership of co-captains Bonnie Miller and Pat Soraruf, are: seniors—Marcia Adams, Margie Apgar, Debbie Hall, Mary Schleicher; juniors—Sue Glovas, Karen Laubach, Trudy Nimmo, Ginger Saloky, C. Strause; sophomore—Patty Adams, Cindy Allen, Janet Rath.

Our thanks to these girls for their time and effort, and for being such fine representatives of the true Wilson Spirit.

Team Finishes in Second Place

The girls' basketball team under the able coaching of Mrs. Bossert and the leadership of co-captains Debbie Minnick and Brenda Griffin, played their way to the second place spot in the Lehigh-Northampton League. Their overall standing was 10 wins and 5 losses and in league play, 9 wins and 3 losses.

The two most exciting games this year were played against our arch-rival Nazareth. In the opener of the season, Nazareth handed the Warriorettes one of their few losses. The final score was Nazareth 41, Wilson 40. The defeat didn't stop our team. In the second half of the season, we went on to defeat Nazareth. The final score in this clash was Wilson 35, Nazareth 34.

Scoring honors for the season were shared by juniors Nancy Holmes and Amy Vogel who scored 228 and 168 points respectively. Sophomore Carolyn Arnold added 94 points and senior Brenda Griffin added 46 points.

The Warriorettes displayed great skill and good sportsmanship throughout the season. We wish next year's team the best season ever!

The Bad Breaks of Basketball

One thing a coach hopes will never happen is that sickness and injury become a part of his team. Coach Eckert, unfortunately, wasn't one of the lucky coaches, as the team record shows. Throughout the season, players were affected by the flu and the bumps and bruises that go along wit hthe game.

The Warriors were 8-14 overall and 6-6 in the Lehigh-Northampton League. Our team finished in third place in both halves of league competition. High scorer on the team was Ray Kelchner, followed by Jim Conroy and Chip Mannick.

A noticeable mark of this year's team was the desire and attitude shown. They never gave up, even in defeat. A willingness to learn was a strong point of the team. During the season, Mr. Eckert often said, "It is tougher to win after losing than it is to continually win." Our Warriors showed their ability to come back by posting a 4-2 record in the second half of league competition.

This year's co-captains were Jim Conroy and Chip Mannick. Ray Kelchner was the recipient of the Charles Noto Award which is given to the player demonstrating qualities of scholarship, character, and desire.

Grapplers Place Third

For the past few years, the popularity of wrestling as a spectator sport has increased tremendously. Our wrestlers, in keeping with the Wilson High School tradition have thrilled the fans in every match with their outstanding performances and great competitive spirit.

The team ended up in third place in league play with a league record of 9-2, and an overall record of 10-4.

As far as individual performance, the outstanding personal records were held by Mike O'Brien, 20-2-1; Tom Sampson, 9-0-1 (dual meets); and co-captains John Pulli 21-1; and Tom Azzalina, 12-2 (dual meets).

This year we had two winners in the Easton Holiday Tournament, Mike O'Brien and John Pulli. Mike, who wrestled at 95 lbs., was also a District XI Champ, and John, who wrestled at 120 lbs., was a District runner-up.

Overall, the season was quite successful, and we are proud to call our wrestlers Warriors.

Warrior Nine Leads League

This year's baseball team is having a very successful season. Thus far they are only a half game out of first place in the Lehigh-Northampton League. With a record of 2-1 in the league and 2-2-1 overall, the team is looking forward to finishing on top of the league. Those who have come to the games have seen the superb hitting of Mike Stehlin and the ace pitching of Ray Kelchner. Despite complaints of excessive calisthenics, the players really enjoy the fine coaching of Mr. Haas and Mr. Mammano.

Seniors playing their last year on the diamond are Jim Conroy, Mike Stehlin, and Don Reed. Next year's team will have a strong foundation with experienced pitchers and fielders.

Back, back . . . BACK, STAY BACK!

Mike doesn't usually bat from second base, but he admits it is sure easier to get a homerun from there!

"I don't want your silly old ball, so there!" cries Jim Conroy.

Bob Coyle figures if he can't catch the ball with his glove, his mouth is always handy.

Don Reed is in great form, pitching his last year of shut-outs for Wilson High.

Track Team

Throwing, running and jumping and all the action any coach could want from a track team can be found on this year's squad. If only they'd do it on the field instead of in the bus.

With less than half of their schedule completed, the Warrior track team has thus far compiled a 2-3 record.

The varsity thinclads started out the season by squeezing past Notre Dame 59-54. After this the team was hit with defeat, two in a row by Hellertown and Bangor. Then showing much determination and skill proved to be all the Warriors needed as they whizzed past Pocono Mt. 67-27. The thinclads still have seven meets to play and they have yet to participate in the Triangular and District meets.

The team has two new coaches this year, head coach Mr. Reese and assistant coach Mr. Licsko.

With a bit of luck and the wind to their backs it may shape up to be a winning season for Coach Reese and his team.

Jimmy Pfister pours on the speed and finishes far ahead of his competition.

Tennis Team

This year's tennis team, despite a slow start, has earned some very impressive wins. Coach Villiano and the squad are hoping to place somewhere near the top of the league. Thus far in the season the team has defeated Dieruff and has tied Freedom. The seniors on the team are Jim Kulczycki (1), Jim Flagg (2), John Black (3), Dave Stocker (5), and Darrell Gano (6). The doubles team of Kulczycki-Flagg has looked pretty impressive to this date and has high hopes for the District Doubles Tournament. Next year's squad will be built around the nucleus of Tyson Zackey, Joe and Pete Rossi, Lonnie Yiesley and Bobby Agosta.

Anyone for golf ? ?

Mr. Horon and his golfers are out to give WHS a winning record this year. The team is quite balanced but we are still a little inexperienced. Our boys have been working out every day at the Green Pond Golf Course. Tough competition will be ahead as the Lehigh-Northampton League gets tougher every year. At the end of the season, the league meet will take place where golfers will be competing on an individual basis for awards and a chance to go on to the next higher level of competition in our state. So far, our record is not the best but they are giving an all-out effort which is something to be proud of. Best of luck through the remainder of the season, golfers.

Band Receives New Uniforms in '68-'69

To have a good band is an asset to a high school; it adds to the excitement of a football game, a local parade, and annual band concerts. This year the band not only sounded great, but also looked great as well, in their new uniforms. They have removable white overlaps with a Wilson Warrior on the back, which are worn over the simple blue jacket. The band marched in style for the Turkey Day Game.

The active year began as the band marched proudly before the annual football games, and at half-time. This year, the Nazareth Band marched side by side our Warrior Band on Thanksgiving.

A few band members added spirit to the basketball games with a few drums, trumpets, and a tuba.

The band marched in the annual Easton Halloween Parade, the Lafayette Alumni Parade, and Veterans Parade. It hopes to be entered in the state Lions Parade in Pittsburgh this summer.

Highstepping Twirlers "March Proud"

Under the able guidance of this year's head majorette, Nancy Banko, and her assistants, Kathy Henthorn and Angela Giglio, the '68-'69 twirling squad continued the Wilson tradition of poise, grace, and style, which are necessary qualities in a great twirling squad. The girls rehearsed vigorously, not only at all band practices, but also on hot summer mornings and after school. This diligence benefitted in the end, as all spectators of football half-time presentations will agree.

The squad performed at pep rallies and, this year, at several basketball games. It was not all work, however. The girls had their share of fun and frolic on the squad. The departing seniors will keep fond memories of twirling with them in years to come.

New and Welcomed Addition—The Colorguard

Wilson students eagerly awaited this year's first pep rally in order to take their first glimpse of the new addition to the band and twirlers, the colorguard. The waiting was rewarded, for the colorguard made a fine presentation. The girls marched proudly, banners and flags waving, with the band in each parade and football presentation.

Since the squad was just begun this year, all the girls had to learn the type of marching and routines of a colorguard squad. Under the able guidance of Sharon Snyder, the difficult became simple; the strange became usual; the uncertain became certain. Wilson congratulates the squad on its tremendous effort and ensuing ability.

W.H.S. REPRESENTED AT DISTRICT MUSIC FESTIVALS

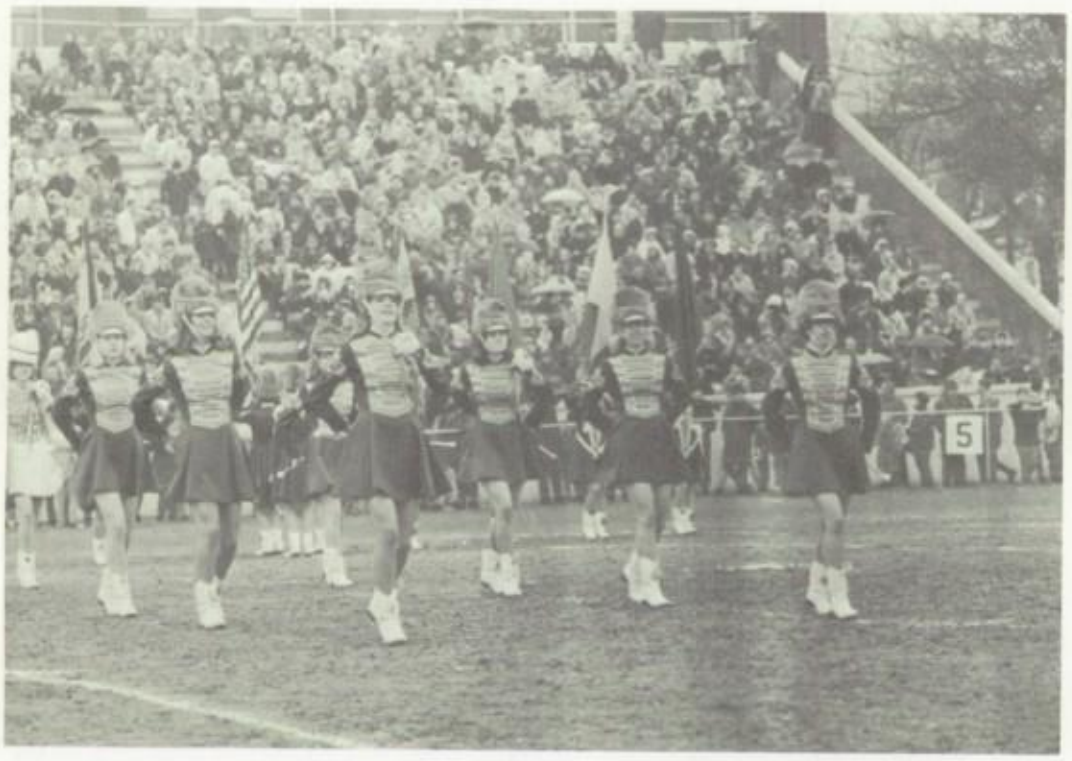
"Ladies and gentlemen, the Wilson High School Marching Band."



The precision twirling and marching of our girls brings the people to a standing ovation.

Nancy demonstrates her tactile dexterity and prepares for the next formation.

Our new band uniforms sported the proud Wilson Warrior.

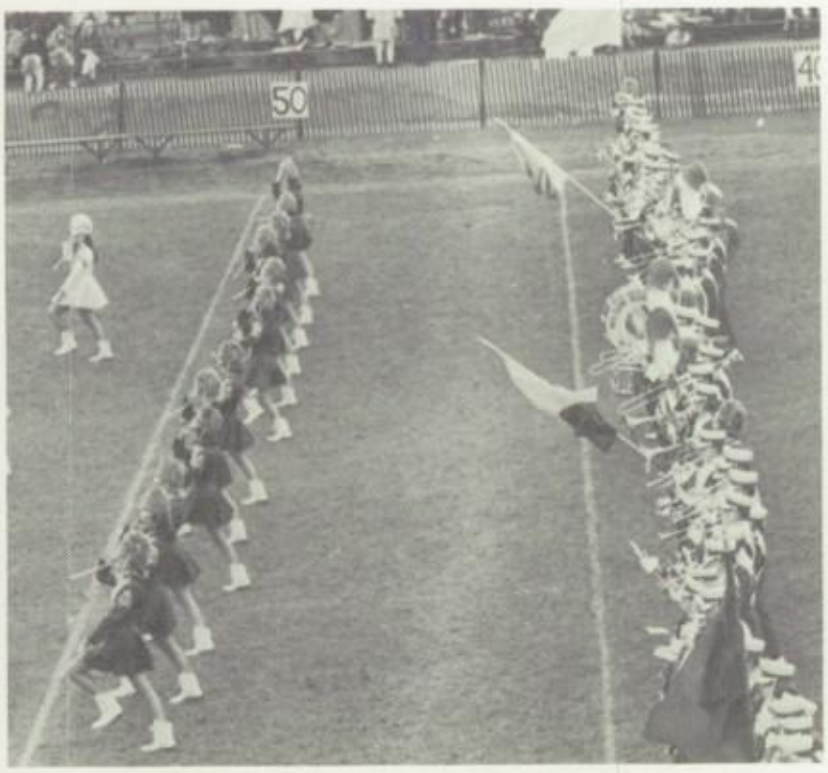
The "Pin-Wheel" is a hard maneuver, but not for our band.

Our brand new all-girl colorguard and gun-drill team.



Perfect lines are the sign of excellence.

Our twirlers always provided the extra kick for a touchdown.

Since the freshman class makes up a major portion of our band, they are rightfully entitled to a candid.

Orchestra—Performance of Fine Music

String players, who are not given the opportunity to display their talent in our marching band, are highlighted in the Wilson High Orchestra. Brass, wind, and percussion instruments combine with the strings to create a fine musical group.

The orchestra presents its music for both the Holiday Program and Spring Concert. The group also performed for the senior play, Baccalaureate, and Commencement.

Women's Rights Upheld in Organized Girls Chorus

One can never say women's rights are not upheld at Wilson. The senior high girls have a chorus they can call their own. The girls sacrifice early morning sleep to rehearse every Friday at 7:45. They perform in the holiday and spring concerts.

For this year's performance the girls sang "Three Mountain Ballads" arranged by Ron Nelson. The three ballads were "Barbara Allen," "He's Gone Away," and "Will He Remember."

Senior High Mixed Chorus Makes Merry Music

The Senior High Mixed Chorus is a group of approximately 60 voices selected by private audition each spring. Rehearsals take place twice a week during school. Mr. Shover, director, works extremely hard to create the appropriate sounds and musical qualities for the various types of music sung. Madrigals, religious hymns, classical choruses, and modern rhythm and blues songs are examples of the range of styles of music presented by the chorus in their Holiday Music Program during the Christmas and Hanukkah seasons, the Spring Concert, school assemblies, and the Baccalaureate service. W.H.S. will lose an extremely talented director, as Mr. Shover completes his last year at Wilson.

Wilsonaires Perform Quality Music With Quality Voices

Musically speaking, the Wilsonaires are 20 mature, rich, and vibrant voices selected by audition from the Sr. Mixed Chorus. Enjoying the music they sing, this group rehearses long and hard every Monday night to achieve the perfection to which pleased audiences applaud.

Besides giving assembly programs and special staged performances in school concerts, this group also brings its merry melodies to various organizations through the community: P.T.A.'s, banquets held at Hotel Easton, and church groups. The annual trip to Norristown State Hospital was also taken.

The Wilsonaires joined the Sr. Mixed Chorus, Girls' Chorus, and choruses from other area schools on a taped program presented Christmas Eve on WEEX.

LES MEMOIRES PUBLICATION: AN ANNUAL PRACTICE

The *Les Memoires* is an annual publication. The senior class has the task o publishing its yearbook. Besides a few traditional aspects incorporated in the *Le Memoires* each year, each yearbook is the product of the hard work, imagination and interest of the seniors. Its purpose is to portray daily school life at Wilson and to be a chronicle of the senior year. Underclassmen gain experience in pub lishing the yearbook by working on various staffs. For the past several years Mr. Kuna has given endless hours of hard work to the publications of th *Les Memoires.*

National Honor Society Honors Quality Men And Women

Four qualities which each candidate for the National Honor Society must possess are scholarship, service, leadership, and character. Each member is expected to continue to strive for greater accomplishments in these four categories. Applicants from the 11th and 12th grades must state the amount of activities in which they participated in their senior high years, the number of years they were active, and the offices held. Activities and offices are ranged on a point scale. The amount of accumulated points and average grades, plus the students individual character, are the factors used in the final decision. Every year an installation program is held in an assembly to install new members in the Wilson High School Chapter of the National Honor Society.

This year, the society plans to visit Lehigh University. The students will observe chosen classes.

Student Council Sets New United Fund Record

The voice of the student body is heard through its elected representatives to the Student Council. The Council works side by side with the school administration and Mr. Shaeffer in its projects and services to the school.

Each year the Student Council has certain duties. This year it conducted the annual magazine sale, the Red Cross Charity Drive, and the AFS Fund Drive. A new record was set this year in the collection among the students for the United Fund. All dances, with the exception of class dances, are sponsored by the Council. Some interesting assemblies paid for by the Council this year include a movie, yoga exhibition with student participation, and a program entitled "Comedy Through the Ages." Wilson Day, the assembly program and evening dance is another responsibility to the Council.

We must commend the Student Council on its unceasing effort to acquire a campus room for the seniors this year.

Was She Guilty?

The smash hit of the year at Wilson High School was *The Night of January 16th* by Ayn Rand, the Senior Play done in traditional senior style on Friday, February 28, and Saturday, March 1. Besides being great fun for all those involved in the play directly, the class of '69 as a whole felt immensely proud of the talent and skill with which the play was given.

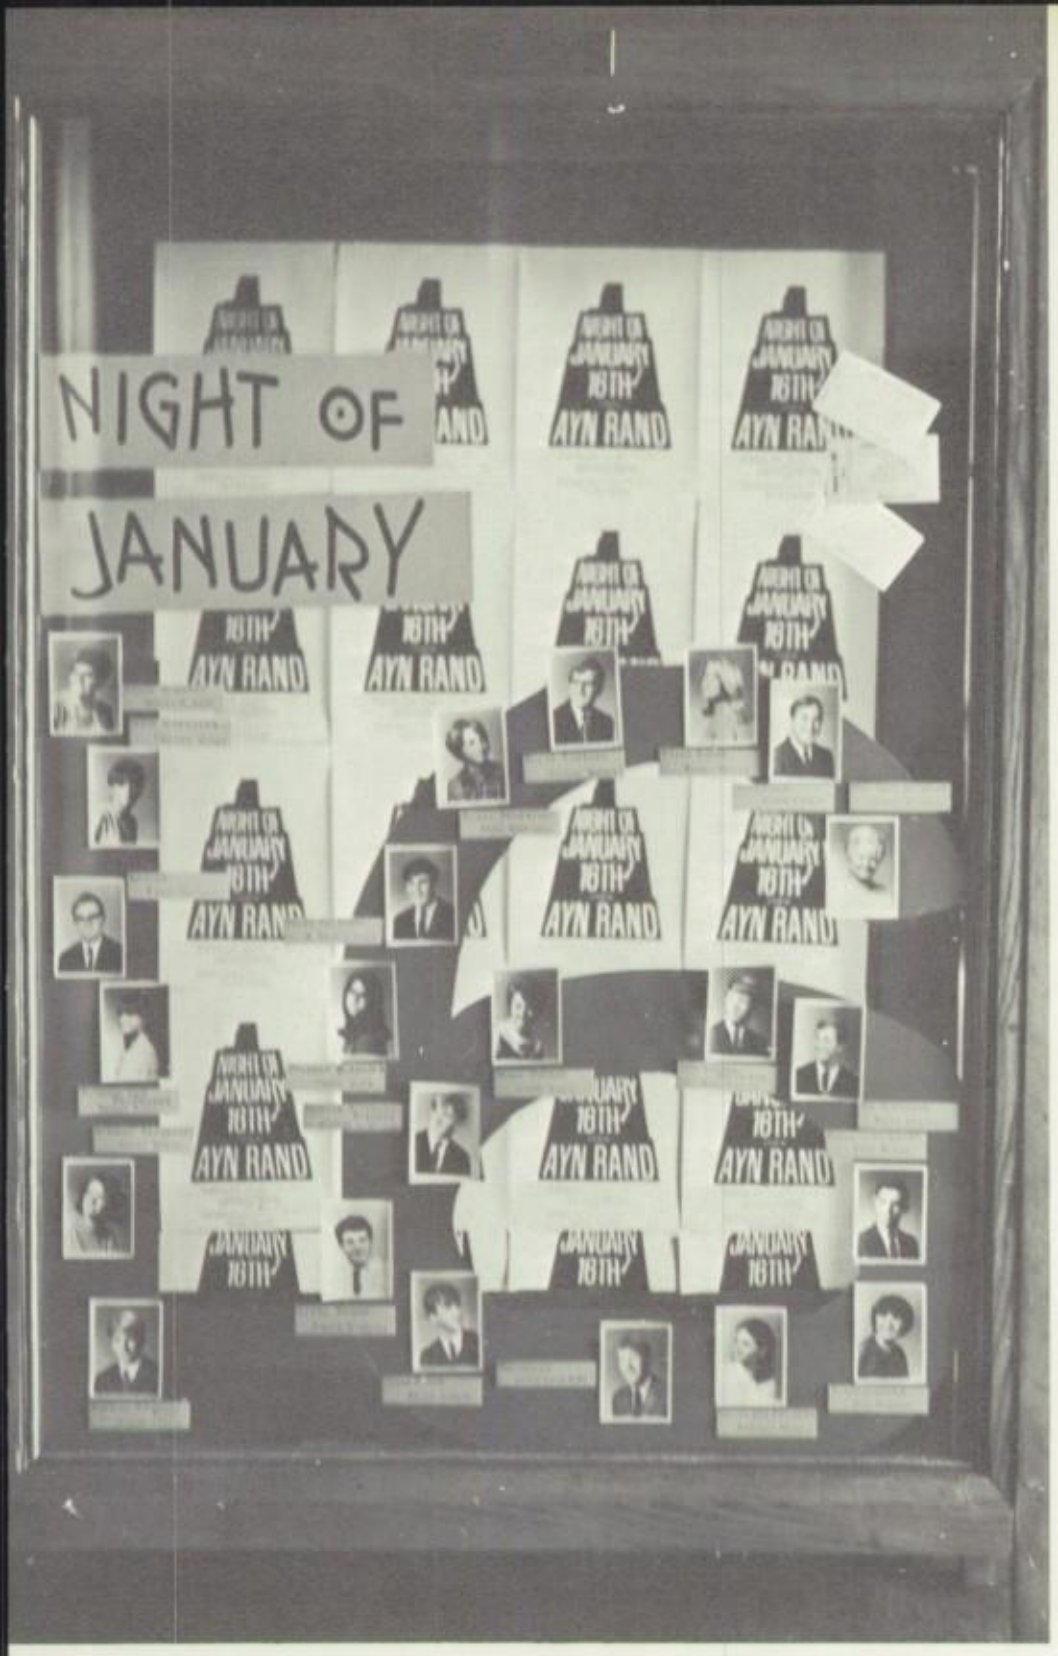
The intriguing plot was skillfully unraveled as the cast portrayed the characters involved in a courtroom drama. Karen Andre (Bonnie Miller)—guilty or not guilty of causing the death of her boss, the world financial dictator, Bjorn Faulkner? Rich Miller, her defense lawyer said no, while Jeff Harris, the D.A., strongly advocated the charge of guilty from the jury, chosen from the audience. We will never know whether Karen Andre was guilty or not, for certain; for she was acquitted the first night, but condemned the last.

"State your name and occupation."

"Then the body that fell was not Bjorn Faulkner's."

The wonderful performances of all the cast will not soon be forgotten by those who viewed our show. The cast will not forget the fun (the door falling off?) and the frustrations involved to make those two nights a success.

Thanks are especially given to Miss Steuber, without whose invaluable direction the play would never have gotten off the ground; Mr. Cardell and his ever-ready Stage Crew; and Miss McHugh, for her guidance in the ticket sale and make-up committee.



The Cast

Rich Miller won his first case, but lost his second, as Defense Attorney.

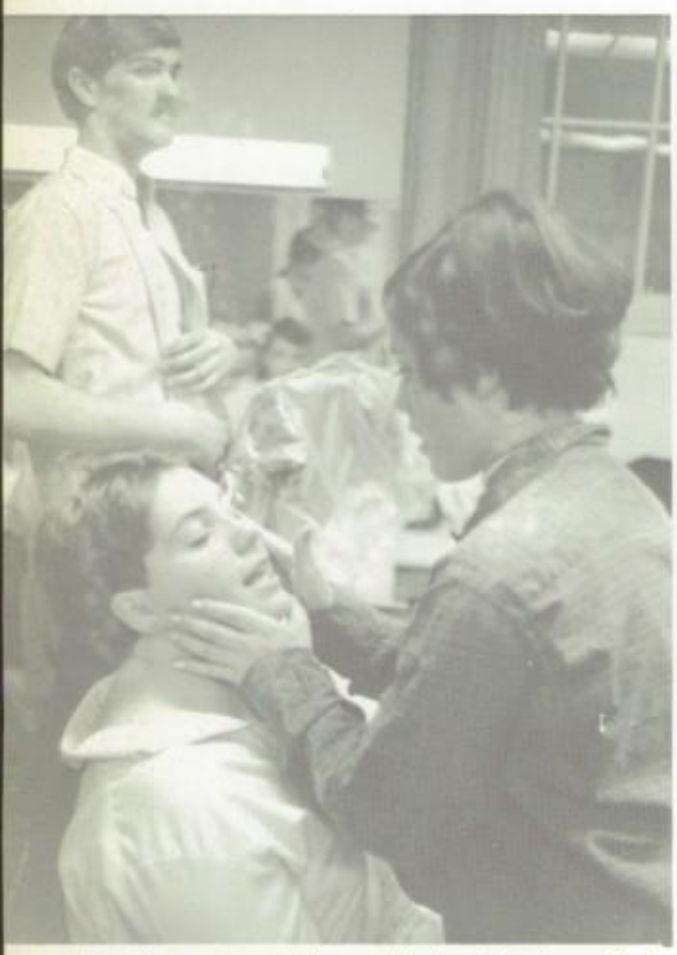
As District Attorney, Jeff Harris gave a "live" performance.

All cast members are given top billing.

You'd look five pounds thinner in a . . .

And so, I ask you, the jury, to render a verdict of guilty.



Napoleon over there thinks I'm beautiful without make-up.

Do you swear to tell the truth . . .

I knew I should I should have brought my Man-size Kleenex.

Your stockings are falling, sweetie.

Discovering The Teaching Career—F.T.A.

In recent years the Future Teachers of America Chapter at Wilson has been reduced in size because of lack of interest, or perhaps because of lack of interesting programs. With the exceptional effort of president, Lorraine Banach, and advisor, Mr. Segal, this year's programs have attempted to increase student interest in the field of teaching. Several panel discussions have been featured, the panels including Wilson teachers. Foreign language teachers had an opportunity to discuss their field. Student-teacher classroom and extra-classroom relationships were discussed by members of the faculty on another occasion. A Peace Corps representative spoke and showed personal slides of her country. Besides running the regular bookstore, a Jr. High Bookstore Annex was opened, also. The F.T.A. sponsors the cadet teaching program in the elementary schools. State and regional F.T.A. Conventions are attended by our members. The club also visited colleges throughout the area.

FNA—Fun in Nursing Activities

The Future Nurses of America Club here at Wilson is a very active group. They meet to learn about their chosen field of nursing by discussions, films, guest speakers, and trips. Activities throughout the year include: assisting the Lehigh Valley T.B. and Health Societies in their Christmas Seal Drive, working as candy stripers at Easton Hospital, and collecting for the National Health Foundation during the annual March of Dimes Fund Drive. Several trips planned for the group are visits to the physical therapy department of Easton Hospital, Civil Defense Headquarters in Easton, Allentown State Hospital, Children's Hospital in Philadelphia, and possibly the Allentown Osteopathic Hospital. An annual mother-daughter tea is to be held at the end of the year for graduating seniors.

What is Y-Teens?

The Y-Teen program was organized at the YWCA to give young teen-age girls an opportunity to do service for school and community, growing into mature young women with the various activities they perform. The program begins in the freshman year as a regular club, meeting at area schools twice monthly. Several activities sponsored by the YWCA for the Y-Teens are: a tour of the Y, Y-Teen Rally Day, officer training, and Recognition Service. The Y-Teens join in to help with the Hanging of the Greens and the annual Christmas Bazaar at the YWCA.

This year the Sr. Y-Teens have had numerous programs under the able leadership of their president, Carol Rice. As a service to their community, the Y-Teens held a Christmas party for under-privileged children in the area. They colored and decorated eggs for an Easter egg tree given to the Eastwood Convalescent Home. The funds for these projects came from the bake sale held at Falk's Food Basket. A panel discussion with a few senior boys, a big demonstration, a gym program, and Christmas party, both at the YWCA, are included in their many activities. Officers at the YWCA, are included in their many activities. Officers this year were: Carol Rice, President; Cindy Boran, Vice-President; Donna Hunsicker, Secretary; Judy Patriarca, Treasurer; and Lorraine Banach, Program Chairman.

The Jr. Y-Teens feel that service is the most important of their functions. The profits made from selling candy at basketball games and wrestling meets enabled them to contribute to the AFS Program and the Mary Meuser Library. Christmas favors and old-fashioned tree decorations were made and a tree provided by the girls for the guests at the Eastwood Convalescent Home. Officers this year were: Debbie Unangst, President; Betsy Myers, Vice-President; Kathy DeVito, secretary; Valerie Aicher, Treasurer; and Sharon Hersh, Program Chairman.

The sophomores continued the tradition of filling a basket of food with canned goods and a turkey to give a needy area family a Thanksgiving dinner this year. Old clothing and repaired toys were also collected and given to the needy at Christmas. The girls' interest in learning about other religions brought them to a synagogue to learn about the Jewish faith. A tour of Schaible's Bakery proved to be another worthwhile and enjoyable event. Our foreign students spoke to the girls, also. Officers this year were: Nancy Smith, President; Martha Ott, Vice-President; Patricia Trapani, Secretary; Barbara Riegel, Treasurer; and Carol Tylus, Program Chairman.

With the able advisor, Miss Martin, Freshman Y-Teens became acquainted with the YWCA and the functioning of the Y-Teens program. They began their year with a tour of the YWCA. Several guest speakers for these Y-Teens have been: Mr. Zarbatany speaking on wrestling, Miss Judy Angelo giving a program about personal attractiveness, and Rahim Najib and Juan Chamorro telling the girls about their respective countries. An overnight was also held at the YWCA.

Hi-Y . . . Largest in Area

The Hi-Y at Wilson with its 52 members can boast to have the largest membership in the area. Affiliated with the YMCA, all participants in the Hi-Y programs are required to become Y members.

To assist the school and the community is its purpose. Therefore, the members sponsored a bookcover and lollipop sale for funds. They aided the Y in its membership drive this year. Meetings are held at the gym, and basketball games among the members are held. Hi-Y Basketball teams from different schools involved in the Hi-Y program compete on YMCA courts in a regular Hi-Y league.

The Bowling Club meets twice a week for a period of 12 weeks. It has a regular league at an area bowling alley. Bowling averages and other statistics are recorded. Trophies are awarded at the end of the season. Bowling matches between selected club members and those of other bowling leagues from various schools in the area were begun this year.

The Echo Struggles Through A Difficult Year

It has been a hard, long year for Echo Editor-In-Chief, Debbie Minnich. The Echo fell into what may be called financial ruin when an old debt was paid to the printer this year. The payment exhausted all existing funds. A huge campaign was begun to increase sales of our school newspaper. The subscription price was raised to $1.50, and all Echo staffs participated in promoting sales. Selling booster cards at a higher price of 10¢ for all football games and sponsoring the annual mum sale helped raise some of the needed money.

Needless to say, fewer issues of the Echo were published than is customary. Lack of funds was also the reason for not publishing the literary magazine, the *Midnight Oil.* It certainly was a struggle for a new advisor, in her first year at Wilson and in the capacity of school paper advisor. Miss Parsons must be commended for the time and effort she gave to the Echo.

For those who enjoy tennis all year round, Mr. Villiano's Tennis Club continues to fill their interest during the non-tennis seasons. During the fall and spring, tennis instructions are held at Mueser Park. Outside speakers are provided at these sessions. A high in the club's activities was the visit to the Spectrum in Philadelphia to see the first "Indoor World Championship Tennis Tournament."

Who Flies. . .with the greatest of ease?

The Daring Ski Club on Skiis.

To many, it is a daring attempt to ski down snow-covered slopes. To the Ski Club, the feeling of danger adds to the excitement. Actually, skiing is not a dangerous sport, if one knows the correct way to handle oneself on the slopes. The Ski Club has handled slopes like Big Boulder, Doe Mountain, and Apple Hill this year. When they were not skiing, the members gained more knowledge of the sport by watching instructional films.

PHILOSOPHY CLUB — BUT, WRATH . . . WISDOM

Mr. Cohen felt the need for young people to congregate and discuss the basic philosophies, with emphasis on social problems. He organized this club to give some seniors the opportunity to learn from the wisdom of others, discuss individual ideas, and develop wisdom of their own. The informal meetings can best be described in Mr. Cohen's own words, "We would not stop talking long enough to take a vote; therefore, there are no officers." A trip to New York was taken in the spring.

The Great Books Club was formed to give its members a chance not only to read more classics and semi-classics, but also to have the opportunity to discuss meanings, symbols, and intents of the author. STAGE CREW — READY TO HELP WHENEVER NEEDED

Under the expert guidance of Mr. Cardell, the stage crew helps others as they learn to manage such facilities as stage lighting, props, and sound systems. The members build the stage scenery for assemblies and plays. An important event for which the Stage Crew is indispensable is the Senior Play. Speech classes also use the abilities of the Stage Crew. Civic and musical groups use its expert guidance. The members arrange lighting and special effects for staged productions. The repair and maintenance of the sound system also come under their care.

Wilson Day

The theme for this year's Wilson Day was Laugh-In. The show consisted of many acts varying from gymnastics and singing to tricycle crashing.

The coordinators for the show were Miss Paul and Mr. Jaso. Debbie Hall, chairman of the Wilson Day Committee, also played an integral part in all the organization.

Besides for the show, the school was decorated in blue and gold, and the students wore their respective colors. In the evening everyone attended the Wilson Day Dance.

Wilson Day was planned to augment school spirit. The entire day was a huge success and truly worth all the hours spent preparing for it.

First Marcia warned them, then Jeff pleaded with them, and finally Jim threw the book at them. As Juniors, these three orators defeated the Senior Debating Team.

'69 Debators Turn Tables on Debate

We think it is obvious by now that the class of '69 has been a class of "change." The Junior-Senior Debate reflects this change. We had the first debating team who won in its junior year, but lost in its senior year.

The topic of the 1968 debate was *Resolved: That Red China should be admitted to the United Nations.* Our debaters, Marcia Adams, Jeff Harris, and Jim Mannon, anticipating the seniors' every move, spoke well and with authority on their subject. The senior debators, who took the positive side, were Irene Kohut, Jay Feinman, and alternate Don Shinstine. Our debators were voted the victors by unanimous decision of Mr. Cardell, Miss McHugh, and Mrs. Romanick, the honorable judges.

This year, the junior debaters were Linda Strause, Bill Streeter, and entertaining Mark Symanovich. The topic: *Resolved: That there should be stronger control of guns.* The seniors, with Tony Colasante as alternate speaker for Jeff Harris, took the affirmative. They worked hard, but their overly lengthy speeches detracted from their effect. The juniors did a fine job and won, despite the fact that one of the judgse was a member of the National Rifle Association. The judges were Mr. Edmonds, Mr. Clemmer, and Mr. Segal.

When the tables were turned and with the addition of a new senior debator, the Seniors were beaten by the Juniors.

Our National Merit Finalist, Jeff Harris.

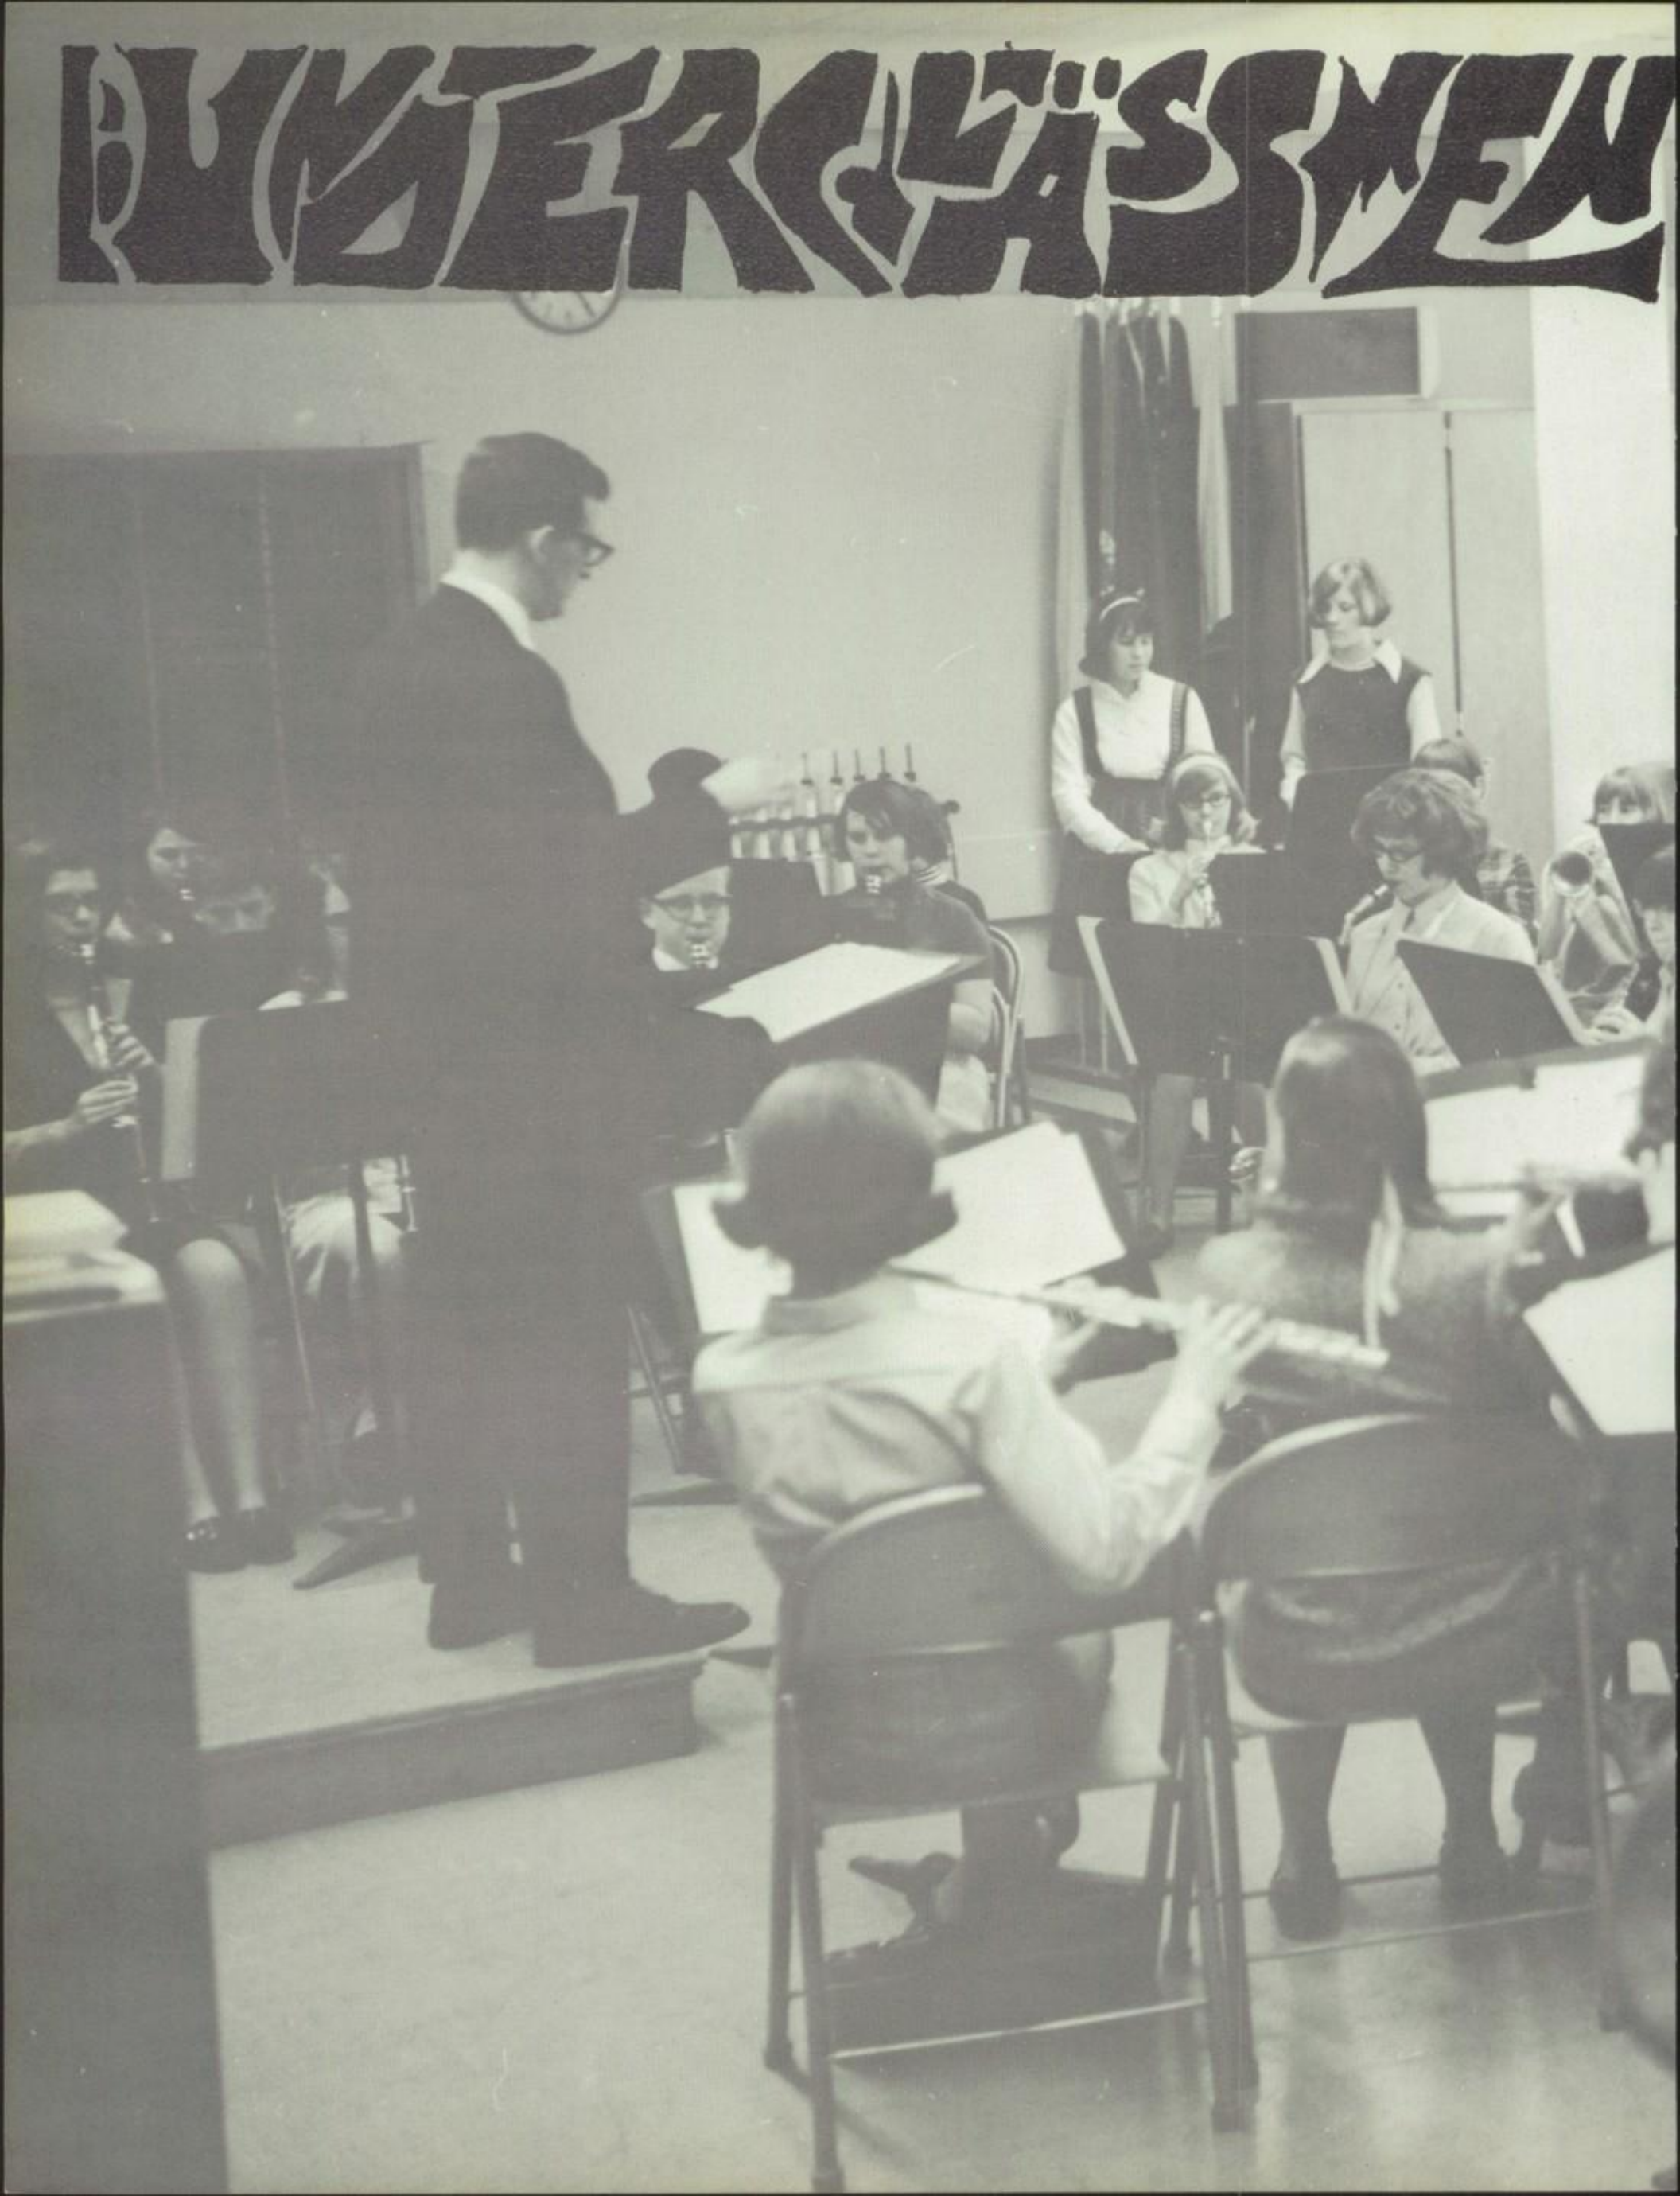
UNTERKLÄSSLER



Junior Class

The Junior Class always has a busy year. Officers must be elected, dues collected, the refreshment and candy stands operated at football games, class rings distributed, and the Junior-Senior Prom prepared and presented.

The class of '70 did these duties in the traditional Wilson style. However, one change in tradition was added this year. The juniors chose a round class ring and no crest upon the surface of the blue stone. This will become the standard class ring. The prom *Scheherazade,* enchanted the guests with Aladdin's Lamp and other Arab novelties. The hard work of advisors Mrs. Poster and Mr. Mitman made the job lighter.
